2017 Summer Report

First, a thank you to Tony Lear for organising and successfully running the summer competitions. This year the Reliant Trophy and Eleanor McCraw continued to be played on Monday and Wednesday's and as agreed earlier on the year, all drawn club competitions would now be run on handicaps.

The Finals of both Reliant and Eleanor McCraw competitions were played on the new green and everyone was impressed.

*The Reliant **Trophy** was won by John Fitzgerald, Chris Smith and Rachael Thompson against Wayne Roberts, Brian Thompson and Keith Sephton. Chris Brown presented the trophy.*

*The Eleanor **McCraw** was won by John Fitzgerald and Bryan Thompson against Chris Brown and Martin Harris. Sandra Brown presented the trophy.*

Well done to all playing in the intense heat and thanks to Bryan Hughes for taking the photographs.

You are probably aware the new green has been under construction as you will observe by the link <http://www.bowlingalmeria.com/archives/15999>

The Sunseeker worked very hard finishing off the work required on and around the green as well as moving the old Pergola onto the new construction. This was all done under the management of John Fitzgerald. Photographs of the gang and work done will be seen on the link above. Well done to all.

An additional advantage is that we have secured the old carpet Indalo gave us and the sunseekers have laid it on the old green. (To be stitched) Not sure how this will be used?

*This report will be on our website with photographs <http://www.bowlingalmeria.com>
