

Winner: Tony Lear

Finalists Bill Lovett. Tony Le

2018 Non- Winners Singles Cup Report

The **Non- Winners Singles** is the first of the 2018 autumn competitions. The Non- Winners' Cup is for those members who have not won a singles competition here in Spain or UK during the last five years. Some of our most accomplished new and not so new players took part. It looked on paper to be a very good competitive competition and proved to be so.

The competition took three days to complete, starting on Monday 8th with the final taking place on Friday 12th October afternoon. The weather was hot, no wind, with the sun shining. Those taking part put up some tremendous performances.

The Final featuring two very competent men. Tony Lear was the winner against Bill Lovett. Tony had a good win in the semi's beating Mandy Harris. Bill had a good game in the semi's trailing at the eighth against Lyn Smith. Unfortunately for Lyn Bill then pressurized winning well.

Both finalists played well, but unfortunately for Bill, Tony was in a mean mood leading from the start winning comfortably.

On completion, our Captain, Reg Birmingham thanked all players that had taken part. Markers who without we couldn't run the competition, John Fitzgerald and Bryan Hughes for the excellent job done on the carpet and surroundings, the very good support watching the competition. Finally presenting the winning trophy to Ton Lear and complimenting Bill Lovett for his achievement getting to the final. Photographs were the taken by yours truly.
