

Andalusian Championships - Friday 23rd September

You will note that 9 ladies singles and 5 men's pairs have been scheduled to start at 10am. The 5 men's pairs will start at 10am leaving the ladies singles 3 rinks. A number of the ladies singles will have been played off earlier (2 games already played) and therefore I will not be able to give individual start times until a week before. It is anticipated that there will be only 5 or 6 games at a maximum, so rough start times are 10 am and 12 am. As a guide, those with the lower 'pls' number should anticipate starting at 10am and those with the higher numbers at around 12am.

Don't forget start times for singles will vary depending on the length of the previous game. Unless the weather is against us, there will be no time limits to games although you are asked to be sensible with time taken.
