

Winners: Shelagh Allen, Wayne Roberts, Rachael Thompson *Finalists: Cath Patrick, Shelagh Allen, Wayne Roberts, John Fitzgerald, Rachael Thompson, Bryan Thompson*

2016 Avalon Cup Final

This competition sponsored by **Avalon Funeral Plans** commenced on 18th October and was played mainly on Monday afternoons ending on the 6th December with the final on the 9th December. During that period of eight planned dates, the best individual total scores of the players best four games was totted up. These were then drawn into two triples to play in the Final. The competition was played to similar rules to the Spring Triples Handicap without including the handicap factor. This includes that the score will count if ten ends have been played if inclement weather stops the game. Also when a dead end occurs, the jack is placed on the side markers..

The **Final** six successful members were the **Winners:** Wayne Roberts, Shelagh Allen, Rachael Thompson **Runners up** John Fitzgerald, Bryan Thompson and Cath Patrick.

This was a super game to watch and was always going to be a very competitive and proved so. Wayne and team started well and continued throughout winning in the end comfortably, 17-11.

However, the result didn't highlight the high standard of bowls played throughout by all players. In all the positions the competition was intense and it was a pity someone had to lose.

After the game, Tony Lear, our new Competition Secretary thanked the supporters and then presented the trophy to the winners. Yours truly then took the photographs which will be on our website with this report
