On the 17<sup>th</sup> March, St Patricks Day at Camping Los Gallardos a marvellous day was had by all, including members of Almeria Bowling Club. A raffle at the club and a Tombola run by Eileen Phoenix and Sheila Nuttall respectively with the help of others raised **1,074.57 euros**.

This was presented by Eileen Phoenix to Elaine Brown, M.A.C.S representative. The good work done by this charity will be found on their website. [www.mascancersupport](http://www.mascancersupport) which explains their work directly with cancer families and are not just a fundraising group with shops.

Last year they worked with 163 patients and since 2007 have proudly helped support over 500 people and their families from Velez Rubio to Almería central Our aim with residual funding is to have a hospice local to our members
