

## The CAA Mixed Triples

The CAA Mixed triples were held at **Cabrera Lawn Bowling Club** at the beginning of September. CAA competitions are for all the clubs in the area and disciplines are held at different venues ensuring that all clubs get an event.

There were some excellent rounds with the semi-finals being contested by Cabrera teams. The final was between Karen and Nigel Rushton with Paul Cartwright against Dave Smith with Eddie and Linda Radford. Eddie and Linda have only been bowling for 12 months so this was a great achievement.

What a fabulous final with everyone playing to the best of their ability. On the last end Dave's team needed three to win the final and were holding three but with the very last bowl of the final Karen came and picked up shot wood to win the final 17-14.
