2019 Non- Winners Singles Cup Report

The **Non- Winners Singles** is the first of the 2019 autumn competitions. The Non- Winners' Cup is for those members who have not won a singles competition here in Spain or UK during the last five years. Some of our most accomplished, new and not so new players took part. It looked on paper to be a very good competitive competition and proved to be so.

The competition took three days to complete, starting on Monday 7th with the final taking place on Thursday 10th October afternoon. The weather was warm with the sun shining. Those taking part put up some tremendous performances.

The Final featuring two very competent players, Chris Ewer was the winner against new member, Barbara Reardon. Chris Ewer was on fire not allowing Barbara to settle and had a comfortable win.

The semi Finals were good to watch with Barbara having a good win over Eileen Phoenix who played quality bowls but wasn't her day.

Chris having a very good battle with Carole Hollett. Carole was in the lead on the twenty-second end 20-17, an exciting watch with the thirty plus who were in attendance. Chris then levelled the score, 20-20 on the next end taking three shots. He continued the determination taking the championship with one shot on final end. A great semi-final.

On completion, our Captain, Chris Brown thanked all players that had taken part. Tony Lear for running the competition, The Markers who without we couldn't run the competition, Ken Richardson, a special mention, who marked the Final and also marked in every round. Bryan Hughes for the excellent job done on the carpet and surroundings, the very good support watching the competition.

Finally presenting the winning trophy to Chris Ewer and complimenting Barbara Reardon for her achievement getting to the final. Photographs were taken by Tony Lear.
